WEATHER IN HARPUT

Ecenaz and Alperen went to their hometown on holiday. Their hometown is Elazığ.

Harput castle is in Elazığ. The other name of Harput castle is milk castle.

Alperen and Ecenaz checked the weather. The weather was hot and cloudy. Alperen and Ecenaz went to the milk castle with their uncles.

Why is it called Milky Castle? Because milk was used in making.

Alperen and Ecenaz loved the milk castle. They listened to the history of the castle. It started to rain on the way home.
