A diagram illustrating the construction of the word 'yurt'. At the top, two boxes are shown: a yellow box containing 'yur' and a green box containing 't'. Two purple curved arrows point from these boxes towards a central blue box containing the word 'yurt'. Below the blue box, a black arrow points down to a handwriting practice area. This area consists of a blue-outlined rectangle with a pink shaded top half and a white bottom half. The word 'yurt' is written in a black, cursive-style font across the pink shaded area. Below this, there are two more identical pink and white shaded rows for practice.

A diagram illustrating the blending of the words 'ron' and 't'. At the top, the word 'ron' is in a yellow box and the letter 't' is in a green box. Purple arrows point from each box to a central blue box containing the word 'ront'. Below the blue box is a downward-pointing arrow leading to a handwriting practice line. The line consists of a solid top line, a dashed middle line, and a solid bottom line. The word 'ront' is written in the middle of this line. Below the first line is another identical empty line for practice.
